Audiotech LLC | [www.audiotechoman.com](http://www.audiotechoman.com)

 Wadi Kabir Industrial Estate, Muscat, Oman

# Our Humble Beginnings

In 2012, Audiotech began its operations with a small inventory and two employees.

11 years later, we are now a full-fledged AV production company with 32 employees catering to some of the most important events in Oman.

# What We Do

Audiotech LLC specialises in equipment rentals and installations. Our expertise lies in the technical production of events which varies from lighting, sound, audio-visual, video mapping, staging, rigging, and backline gear.

With a professional technical crew and more than a decade of industry experience, Audiotech boasts state-of-the-art equipment and consistent high performance.
